

The

ghostly

figure

sent

shivers

down

spines

as

it

entered

through

the

creaky

old

door

.

A

shadowy

figure

slowly

emerged

from

the

mist

in

the

eerie

moonlight

.

Mysterious

whispers

echoed

from

the

haunted

mansion's

attic

amidst

the

darkness

.

Through

the

fog,

the

ancient

cemetery

revealed

forgotten

tombstones

and

secrets

.

Beneath

the

full

moon,

the

graveyard

seemed

alive

with

ghostly

apparitions

.

The

haunted

forest

concealed

its

chilling

secrets

.

With

a

flicker,

the

lantern

revealed

the

ghostly

face

in

the

mirror

.

Hidden

in

the

shadows,

a

pair

of

glowing

eyes

watched

their

every

move

.

Amidst

the

silence,

the

rusty

gate

creaked

open

by

itself

.

Suddenly,	a	chilling	howl
pierced	the	silent	night,
frightening	everyone	.
